E-mail: _____

Player 2: _____

Player 3: _____

Player 4: _____

Please return this slip to:

AEF
P.O Box 54
Abington, MA 02351

Opened May, 1999. River Bend Country Club is a golf course with a split personality. The front nine is wide open and plays along the Town River with water, hazards and wind affecting every hole. The back nine plays through tree-lined fairways that are reminiscent of the Carolinas which makes for an interesting round of golf. There are bent grass tees, greens and fairways.

Registration will begin at 7:00AM, with a shotgun start at 8:00AM. Best ball format with prizes for longest drive for men and women, closest to the pin, orange ball and putting contest. Lunch, raffles and silent auctions begin immediately following at the Charlie Horse in West Bridgewater. We look forward to seeing you at the tournament.

****Captains will receive confirmation the week of the event with additional tournament information.**

What is the AEF all about?

The Abington Education Foundation (AEF) is comprised of a group of volunteers who are dedicated to promoting high quality educational services for the students in Abington. We believe in funding “special” projects and innovative programs that are intended to enhance core educational programs at all levels.

Grants are awarded to projects and programs that demonstrate creative methods of reaching students and engaging them as active learners. The programs the AEF has funded range from small groups to an entire grade or school. Programs can take place in the schools or outside field trips.

Last year we awarded more than \$18,000 in grants across all of Abington’s public schools. Our success depends on the support of townspeople and businesses. We work together to provide fundraising activities that individuals or families can enjoy.

If the programs we fund and the initiatives we support ignite a spark in our children to want to read, write and learn in ways to express themselves clearly, they become full, active members of the community. That is a benefit to everyone.

New members and project volunteers are always welcome. Feel free to contact Jack Porcello at 617-828-0920 to inquire about opportunities to contribute or check our web site at www.abingtoneducationfoundation.org. It is a small time commitment but the rewards are huge!

We appreciate your support.

Consider becoming a hole sponsor. 100% of the proceeds from sponsorship goes directly to the children of Abington in the form of Educational Grants. A \$100.00 tax deductible donation will get you a custom sign with your name, your family name or your business. Thank you very much!
